Detox for body and mind

This package includes several treatments that are calming for the soul and stimulation for the body. In order to maximize its effect, we suggest spreading the treatments over several days.

— Fragrance of the forest

Rosemary, spruce needles and eucalyptus improve blood circulation, offer relaxation and help to breathe deeply. (25 min)

— Soap lather massage and application of Pure Altitude Edelweiss cream

Relaxation and pampering for silky smooth skin. Deep cleansing and nourishing thanks to buttermilk-whey soap lather and the following Edelweiss cream unction. (50 min)

— English Detox lymphatic drainage

Very gentle and highly effective holistic massage that detoxifies and increases the immune system by stimulating the lymphatic system. (50 min)

Peak of Luxury

Discover the mountain world of Pure Altitude and enjoy our luxurious feel-good spa journey. In order to maximize its effect, we suggest spreading the treatments over several days.

— Pure Altitude : „Liftalpes“

Luxurious anti-aging treatment

Exclusive Pure Altitude care products combined with a special treatment technique with very gentle plucking, kneading and the use of the Jade and Rose Quartz crystal rollers, cause an instant lifting effect and a firm skin appearance.

(80 min)

— Hot Stone Massage – “Fire and Ice”

Full-body massage with warm basalt stones, cold Rose Quartz Crystals and warm oil. The warm stones and oil release tensions and the iced Rose Crystals, also called “Pearls of the Alps” stimulate the blood flow and refresh tired, heavy legs.

(85 min)

— English Pure Altitude bath „Mountain calm“

With this alpine infusion, extracts of lemon balm and passionflower plant soothe the body and mind. Each of the natural ingredients such as lemon balm mint and pine offer well-being and relaxation. (25 min)
